Malone Scholars

A generous grant to financial aid endowment from The Malone Foundation allows Derryfield to enroll gifted students who lack the financial resources to best develop their talents. The Derryfield School is the only school in NH to receive this grant.

Students applying for entry in grades 7-12 who are in the top 5% of their class, or who have scored at or above the 95th percentile on a recognized standard achievement test, are eligible. Families of applying students must qualify for funding of at least 30% of tuition and be US citizens.

Carlson Scholars

The Peter Carlson '83 Financial Aid Fund creates a permanently endowed scholarship fund that honors Pete's dedication to educational equity.

Students applying for entry in grades 6-12 who qualify for need-based equitable tuition are eligible. Preference is granted to students from public school districts in Manchester, NH and environs.

Core Values Scholars
